

OUR VISION

As a community of faith we seek to challenge and transform the world, beginning with ourselves, and to celebrate the image of God in every person and in all creation.

OUR PURPOSE

Responding to God's love, we gather to be a healing, authentic, and empowered community who, through worship, education, fellowship and compassionate action, extend God's extravagant welcome in the world.

**God is
still speaking,**

We welcome persons of every gender, age and racial and ethnic identification, people of all religious backgrounds and mental and physical abilities, and people of all sexual orientations into the full life of the church.

OUR VALUES

We recognize God in the life and teaching of Jesus, in concert with an appreciation for the diverse religious traditions of our world.

Christianity is a faith of extravagant grace, radical inclusion and relentless compassion.

All members of the congregation are ministers.

We value the freedom to question and to be spiritually curious.

Everything is connected. We are part of the whole. We recognize our mutual accountability with all of creation.

We cherish authenticity and genuine relationships.

Our hands and voices are God's tools to create a more just society.

We strive to cultivate a life of compassion that honors vulnerability and offers healing presence.
