### Moment for Faith Formation

Along with Adult Christian Education which will be profiled in Tidings, Youth Faith Formation was presented by our Faith Formation council officer Tony Milner during worship on October 16. Youth Faith Formation is so much more than Sunday School. Through fun activities, service projects, and discussions, youth explore and ask questions about HUCC's traditions and practices. Faith Formation leaves room for the unknown and mysteries of faith, while supporting youth as the work to understand their place in the world and their relationship to faith. With open arms we invite kids, youth, and parents to explore Youth Faith Formation opportunities this year at HUCC. Thanks Tony and team!
